

This is on the new LPFM changes. K-Love radio is a very important part of my day providing much needed stress relief through the almost non stop music. I believe the Okla.City and Shawnee areas would loose a most valuable resource if displaced by one of the new LPFM stations. The positive, family freindly music and other programing is much needed in this area and I believe the general public is well served by the other wise hard to find music selection and commentary. Thank you for your consideration of my request to keep K-LOVE (88.9, 89.9 & 88.5) on the air in my region.
